

Can Bordoy

GRAND HOUSE & GARDEN

Forn de la Glòria 14 - 07012 Palma de Mallorca, Balears, Spain
+34 871 871 202

Can Bordoy Grand House & Garden is nestled in the heart of historic Palma and offers guests the sense that they are staying in a well curated private residence. A low-key façade belies the luxurious hotel that lies beyond: 24 singularly designed suites, all well-appointed.

Accommodations

24 unique suites that offer guests the hospitality of a private residence, thanks to the attentive service on offer. Inside the suites, you will find all the elements that have made Can Bordoy Grand House & Garden a benchmark of luxury: a spectacular King-Sized bed, which allows you to regulate the firmness of the mattress on both sides; a beautiful custom-made wooden cabinet that acts as a minibar and emanates a captivating background music; and a design that, in its entirety, invites you to live an unforgettable experience.

Grand Suite:

The jewel of our great house is 80m2 and elevates great luxury to the category of grandeur.

The most glorious luxury awaits you in this suite with its unforgettable views of the largest private garden in the historic center of Palma, which invite you to relax. In addition to being the largest suite in the house, it is probably the one that best represents the spirit of Can Bordoy Grand House & Garden. Everything in it is harmony, perfectly balancing the elegance of a decoration that seduces, with the romanticism of the multiple details that fill the room: chairs for couples in front of a fireplace and an integrated bathtub that claims the prominence of a majestic space.

Premium Suite:

Rest wrapped in velvet in a palatial 55m2 suite of great luxury.

An impressive velvet sliding curtain in most suites surrounds the beds in this majestic suite to offer guests a cozy feeling of privacy and warmth. Illustrious designer pieces, linen, wood and marble, will make you feel like a true member of royalty. Behind the door of this suite hides one of the best kept secrets of Can Bordoy Grand House & Garden: the achievement of turning a space into the setting of an unforgettable story. Bathtubs integrated into the room invite you to star in romantic encounters; impressive curtains that help to create spaces, interiors are responsible for provoking the guest into a wonderful and continuous surprise.

Sky Suite:

Touching the Mediterranean sky.

Located on the third floor of the hotel, this is how the privileged guests of this 120m² suite feel, an elegant private terrace that occupies 70m² with views to the majestic Gothic Cathedral, the old town of Palma de Mallorca and the lush hotel garden . A spectacular cozy space, enabled by a patio to enjoy the sun, a refreshing bath in a Jacuzzi or a quiet meal with family or friends; it serves as a prelude to an elegant suite, which incorporates the elements that give life to the soul of Can Bordoy Grand House & Garden.

Deluxe Suite:

Elegance and great luxury under an aura of romance

The superlative composition of the 45m2 Deluxe Suite offers the guest the experience of waking up to an authentic work of art and style. There is an elegant living room, a large integrated marble bathroom with a deep soaking tub, a rain shower, views of the garden or the old town of Palma. The high ceilings of this suite evoke the architectural style of 16th century Majorcan houses.

Junior Suite:

A superior level of comfort and a sophisticated environment for the selective traveler.

Luxury, light, elegance and space in 35m2. Wake up with views of the charming interior patio of our house or the Old Town of Palma. Rest on a revolutionary mattress that allows you to adjust the firmness to your taste.

Traveler Suite:

From business to pleasure, passing through a combination of both.

Rest between luxury and simplicity. Our cosy 30m2 room stands out for integrating all the elements that make Can Bordoy Grand House & Garden a unique hotel. Extra-large King-sized bed, which allows to regulate the firmness of the mattress and bathroom with rain shower.

Rooftop Terrace

The rooftop terrace provides an alternative plunge pool and loungers as well as intimate views of the neighborhood and lush gardens. In the evening one can watch the swallows at dusk as the sun sets over the city.

The Secret Garden

The 16th century building has had a loving restoration and renovation and is surrounded by a lush verdant garden – the largest private garden in the city center, complete with a heated swimming pool. The surrounding terrace offers sun or shade, where one can simply relax, sip a cocktail, or read a book while being accompanied by bird song.

Spa

The subterranean spa is tucked between XII Century walls and offers an inspired wellness concept that is dedicated to health and beauty in an atmosphere of serenity and relaxation. Here you can Awaken your inner beauty, Energize your body, Destress your mind and Balance your world.

Aside from an international collection of beauty and massage services, the wellness area boasts luxurious spa facilities, a Dornbracht horizontal shower, whirlpool, steam bath and double massage cabins surrounded by the original stones and softly illuminated by candles helping to create a magical atmosphere. The hotel's spa will evoke memories of Roman baths while exuding a mysterious charm.

Part of the spa's facilities are situated in the garden in order to harness nature's elements. Guests can enjoy wellness treatments under the age-old trees providing an immersive experience, balancing mind, body and soul.

Botànic

Plant-Forward Dining

Imagine a Majorcan mariner who built a unique botanic garden with herbs, spices and plants collected from his many voyages and discoveries around the globe. Step into the world of Botànic where Chef Andrés Benitez offers guests a discovery of flavors and aromas designed to stimulate the senses. The new restaurant concept within Can Bordoy Grand House & Garden beckons guests on an exciting new journey.

Restaurant Botànic offers a new plant-forward gastronomy – a healthy food concept with vibrant and seductive flavors in the world of green cuisine. Discover dishes that take their inspiration from around the world in a vegetable forward menu. While elevating plant-based dishes to an entirely new level, the menu reserves a role for both fish and meat options on the menu. Although dishes are globally inspired, KM-0 (kilometer zero) ingredients are used in their creation.
