USE OF COOKIES

We inform you that this website installs its own and third-party cookies when visiting its pages. If you continue browsing, we consider that you accept its use. Cookies are non-executable text files intended to store any information about the user. We use these files to facilitate navigation and obtain statistical data.

What type of cookies does this website use?

Technical cookies: They are those that allow the user to navigate through a website, platform or application and use the different options or services that exist in it.

Personalization cookies: These are those that allow the user to access the service with some general characteristics predefined according to a series of criteria in the user's terminal.

Analysis cookies: Cookies that allow the tracking and analysis of the behavior of the users of the websites to which they are linked. The information collected through this type of cookies is used to measure the activity of websites, applications or platforms and to create navigation profiles of users of such sites, applications and platforms, in order to introduce improvements based on the analysis of usage data made by users of the service.

Who uses and has access to the information of the cookies we install?

Only the owner of this website and S.L., the company that provides the owner the service of maintenance and analysis of the site, use and have access to the cookies of the same. Third parties who have stored cookies on your computer will have access to them.

HOW TO MANAGE YOUR COOKIE PREFERENCES?

Most browsers accept the use of cookies automatically, but you can configure your browser not to accept them or to have the browser notify you when a server wants to save a cookie. You can do this by consulting:

- Internet Explorer
- Chrome
- Firefox
- Safari
- iOS (Safari)
- Android
- BlackBerry
